Dear Braintree,

I authorize Braintree to integrate my merchant account, referenced below by my Application ID, into the Braintree Gateway of Ticket Evolution so that I may accept credit and debit cards on Ticket Evolution's website or mobile app.

I authorize Ticket Evolution to have access to my merchant account, referenced below by my Application ID, transaction data and customer information in order to make API calls on my behalf for creating and directing transactions to my merchant account for processing, issuing refunds, voiding transactions, enabling and creating recurring billing subscriptions, and any additional functionalities of the Gateway.

I understand that Ticket Evolution will have access to my information including transaction reports, settlement batch summaries, and disbursements to my bank account.

I hereby grant to Braintree, a division of PayPal, Inc. a perpetual, irrevocable, sub-licensable, assignable, worldwide, royalty-free license to use, reproduce, electronically distribute, and display Cardholder Data for the following purposes: (i) performing its obligations under this agreement; (ii) internal usage, including but not limited to, data analytics and metrics so long as such Cardholder Data has been anonymized and aggregated with other Cardholder Data; and (iii) complying with applicable legal requirements and assisting law enforcement agencies by responding to requests for the disclosure of information in accordance with local laws.

I agree that Braintree, a division of PayPal, Inc. will not be liable for following Ticket Evolution's instructions, their use of my above mentioned information, handling or use of transactions and amounts due to me, and any of acts or omissions of Ticket Evolution.

I understand that I may contact Braintree at accounts@getbraintree.com to have my merchant account removed from Ticket Evolution's gateway.

Sincerely,
